Under-Secretary's note:—

This is an application for the review of Govt order no 283-4 dated 12th July 1904.

3. The dispute in this case is essentially a Tengale-Vadagale one and relates to the building marked B and the site A to the west thereof lying between it and the mound marked E in the Sketch recently prepared at my instance

* Slip A

3 The Akobala mate claim the building as their mate and with regard to the adjoining site, say that they obtained it from one Valabagalu Sreenivasiengar by sale. The building being entirely in disrepair the Akobala mate want to build a new matha on the entire site.

4. The Tengales say that Valabagalu Sreenivasiengar had no right to sell the site to the mate and that the building B is only a musafirkhana built by one Chinnanna with the permission of Govt and that the mate to whom

the building was sifted by Chinnanna can have no more right than Chinnanna. They therefore contend that the building B is no mate, that it might be repaired only, it it is to be used as a Musafirkhana and not otherwise and that on no account should it be extended to the west or north in Nov- and Dec- last.

5. I inspected the spot and also went through the entire Vern- records

6 The facts of the case are briefly given below.—

7. In 1860 one chinnanna applied for permission to build a Musafirkhana for all castes in the Site adjoining the Narasimhaswamy temple in T. narasipur After some correspondence, permission was granted

8. It will be clear from what I have stated above that to settle this dispute, it is necessary to know what extent of land chinnanna asked for and what extent was granted. The available records of this period give no information on this point. When the Sub Divl- Offr in 1901 called for extracts from the

Registers, he was told that they had been eaten by white ants. The search of the Record-keeper at my request also proved fruitless

9 From Chinnanna's Statement in 1860 to the effect that he would provide separate accommodation to Panchamas on the side adjoining the Angadi-Beedee and Amaragi (which was the southern boundary of the site), I gather that the site given to him extended up to the Talkad road on the South.

10. Though the site was obtained in 1860 the terraced building B was commenced only in 1872-3 (Vide Shanbhogs Statement and Khanesumari extracts wherein the building is referred to as incomplete). About this time, one Sreenivasiengar, a Dayadi of Chinnanna built a tiled house of 5 Ankanams to the west of the terraced building and sold it to the Akbala mate while Chinnanna gifted to the same mate his incomplete building with the materials he had collected. This was in 1873. Both

transactions are evidenced by registered documents copies of which are in the file. Chinnanna's son Ranganna has stated that the matt completed the incomplete building the Shanbhogue stated before me that the Abobala Swamy visited T. narasipur twice and stopped in these buildings

11. It would have been useful if we could know how Sreenivasiengar obtained land to build upon. Unfortunately information on this point is entirely lacking Apparently he did not obtain from Govt., for the Amildar has reported that there are no records ~~connected to~~ to show this. I believe Sreenivasiengar must have obtained from his Dayadi a portion of the land allotted to him and must have built upon it.

12. After the transfers refd. to above the name of the matt appears in the Khaneshumari the extract from which will show that while the tiled building has throughout been consistently shown as a chattram, the terraced

GPB—55,000—27-4-09

building has been shown as a chattram till 1881-2 and subsequently as Akoliala matt.

13. In 1890, the tiled-building having fallen into disrepair, the matt was called upon to repair it They did nothing The fixtures were pulled down and auctioned Chinnama- who was then alive offered to repair the building and was put in possession of the auctioned things The Dy Commr seems to have said that the building should not be repaired.

14. The terraced building having also fallen into disrepair, a notice was issued to the matt by the Muzrai Supdt in 1895 and by the Amildar in 1897 for the repair thereof The latter clearly refers to the building as matt and the former also means the same The matt did nothing.

15 About this time there arose disputes between the Tengalees and Vadagalees about the construction of a Jeeyar Temple. This vexed question has been settled in Govt order no. 3742 dated 5th March 1906 from which

it will be seen that the Jengalas built in post-haste the Jeeyar temple to the east of the Janardhana Swamy temple and to the west of the tiled building referred to above.

16. The Ahobala matt now wanted to enclose the rest of the land according to the deeds of sale and gift, and the Agent began to have foundations excavated. This formed the subject of the complaint which was disposed of in Govt order no. 253-4 dated 12th July 1904 now sought to be reviewed.

17 The Jengalas in December 1906 have appli after a lapse of 2½ years, applied for a review of this order Perhaps, during this interval, the matt did nothing though the order of 1904 recognized their right. The Jengalas say that that order was chiefly directed against the Honorary Secretary action of Mr Seshagiri Rao and that therefore their contentions were not considered in passing it. They want these now to be considered.

18 From this office docket no 4457

dated 13th march 1907 and a Slip in the file, I gather that Mr Anantasami Rau was of opinion that though the site belonged to the matt, they should obtain permission beforehand to build thereon.

19. In disposing of the present petition, two points may be considered:-

(1) whether as decided in Govt order no 253-4 dated 12th July 1904 the matt has full rights of ownership over the land and building or has only the right which the donor-Chinnama had

(2) If the matt has an absolute right, whether we might interfere with their lawful enjoyment thereof and interdict them from building.

20. As regards the first, it seems to me that the matt can have no ~~so~~ higher right than Chinnama. Agent Appanna Iyengar in whose days the dispute originated has plainly admitted that the terraced building was a Musafirkhana and that after repair it would be used as a Musafirkhana. His

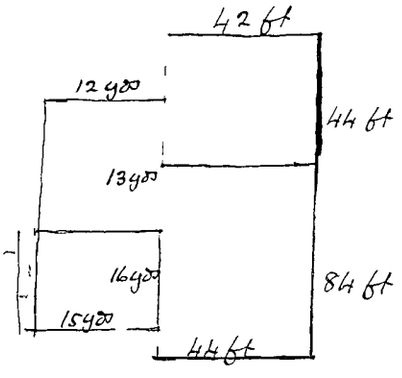
23 Even after the modification, there will remain the more disputed point of allowing, in the course of improvement an extension of the building B towards the west and South

24 According to the gift the matt got a building measuring 42 × 44 ft. with a back-yard measuring 44 × 84 ft from Chinnamma. They have plainly encroached on 6 ft. towards the North vide Shanbhaga's Statement. JJ. By sale from Valabagal Sreenivasiengar, they obtained a house measuring 12 × 13 yds. with a back-yard measuring 15 × 16 yds. The frontage of both was not in a line. Their situation is roughly shown below:-



The matt Agent wants To pull down B and build a matt on the entire site roughly shown above.

25 To this, ~~Th~~ the Tengalais -

are absolutely opposed They say that Chinnanna was not given the entire Site between the boundaries specified, but was only given the portion shown in the Sketch of 1860 They add that as shown in the Sketch Chinnanna had to build one Chattram behind the other and not one Chattram by the side of the other, that therefore Sreenivasiengar's building was an unauthorized one and that the matt should not be permitted to build there again They also rely upon an order of the Dy. Commr in 1892 to the effect that the building of Sreenivasiengar should not be restored The existence of such an order is doubtful It was perhaps oral The Tengalais object to the extension towards the South also, on the ground that according to the map refd. to above, the Southern boundary of the Site made over to Chinnanna was the Temple Talai garden and that therefore an extension to the South would be an encroachment on the Temple garden-

26 In Para 9 above, I have assigned my reasons for thinking that the Southern boundary was the Talkad road. As in the map, it is not said that the Tulasi garden belonged to the temple, I think that Chinnamma proposes to have some open space for a Tulasi garden.

27 As according to the views above submitted, the matt can have only a limited right to the site there should be no objection to the Govt re-distributing the same according to the present requirements; but it seems to me that the Jangams who were plainly wrong in building their jeeyar temple in an objectionable place should not be permitted to profit further by their wrongful act.

28 If it should be held that the matt has an absolute right to the building and site, the further question arises as stated in para 19 above, whether we might interfere with the matt's lawful enjoyment thereof and prevent

them from building When I had to deal with such cases as an Assistant Commr, it was a matter of doubt To me whether we could thus interfere or should acquire the lands

29 The present building which now abuts on the temple being too bad even for repair, it is a question whether in re-building it is not desirable to have some open space between it and the temple The mall Agent was willing to allow some open space After carefully considering the matter, I am of opinion that the building may as during the past 36 years, — continue To abut on the temple, inasmuch as any narrow passage between it and the temple will afford cover for committing nuisance. The peons do not desire that this state of things should be ended though the temple Parpathegar in his report no 17 dated 27th August 98 says that the taking of Agrodaka round the temple was stopped

Was any inam granted to Shinnanna for the Musafar-Khana? The Paper Sub B does not evidence the grant of the Site.

The order d. 9.12.1860 is the proper grant?

Why should such questions be decided in the Mur. Deptt? Whatever the previous rights were the S.O. of 1904 conveyed the site (to which apparently no one but Govt has any right) to the Ahobala Matha. Why should any restrictions be introduced now? I do not understand how the building would injure the Pet?

The exact extent of land given to Chinanna for building a musafarkhana in 1860 is not known. ----- Whether the land on which Sreenivasa Iyengar built a house was a portion of the said site is also not --- ascertainable. Chinanna did not complete the building he had commenced to build. It is doubtful whether these buildings were ever dedicated to the public. We find that Chinanna made a gift of the incomplete building and Sreenivasa Iyengar sold the house for a consideration of Rs.200/- to the Putt in 1872 under two registered documents mentioning the properties as their own. The buildings were entered in the Government accounts as those of the Putt and the Putt completed the half finished building. The local Putt ob -

authorities called upon the Mutt from time to time to repair the buildings. Thus for a long course of --- years the property was recognised as belonging to the Mutt. The so-called admission of the Agent of the Mutt in 1898 that the building when repaired would be --- given for the use of its servants and that wayfarers may then use it as a halting place also, does not --- militate against the ownership of the Mutt, for the reason the Mutt itself is a quasi-public institution. In these circumstances I am of opinion that the --- Government is estopped from questioning the right of the Mutt, and that the order of Government of 1904 now sought to be reviewed, is correct so far as it goes.

There remains for consideration the further question whether it is not now open to Government to insist on the property being used as a wayfarer's only.

As already observed the Government records do not show the exact extent of the land originally --- given to Chinnappa. It is not shown that he was put in possession of greater extent than what is --- mentioned in the deed of gift executed by him in --- favour of the Mutt in 1873. It is only in respect of this property that the right of the Mutt recognised by Government may be construed to extend only to management and upkeep without the power of alienation

Recognising with certain observations, the claim of the Sri Ahobala Matt at T. Narsipur to a site and a building in the aid town.

Petition Registered No. 1028, dated 22nd January 1903, received from T. Seshadri Iyengar, Agent of the Sri Ahobala Matt at T Narsipur, appealing against the order of the Muzrai Assistant Commissioner ejecting him from the possession of a site and a building belonging to the Matt, both situated between the Sri Gunja Narasimhaswami and the Sri Janardhanaswami temples at T. Narsipur.

AND—

Correspondence ending with letter No 155, dated 1st January 1904, from the Deputy Commissioner of the Mysore District, submitting records relating to the above.

No. 253-4—Muz. F. 55-01, DATED BANGALORE, 12TH JULY 1904.

ORDER THEREON.—The facts of the case are as follows:—

One Valabagal Srinivasaiengar of T. Narsipur had built a tiled building on a vacant site adjoining the Sri Janardhanaswami temple at T. Narsipur. When he built it and how he came to the possession of the site is not known On the 29th September 1873, he sold the building together with the backyard attached to the Sri Ahobala Matt for a consideration of Rs. 200.

2. In December 1860, a piece of land by the side of the house above referred to was granted under the orders of the late Superintendent of the Ashtagram Division to one Chinnanna of T. Narsipur for constructing a musafirkhana for the use of all classes of travellers. On this site, the grantee constructed a building to a certain extent and had been in possession of it till 1873, when he gifted it away together with the materials collected by him for the completion of the building to the Sri Ahobala Matt. The Matt thus came into the possession of Srinivasaiengar's tiled house and the unfinished musafirkhana building in 1873 and continued in the undisturbed possession thereof till 1902.

3. The tiled building, however, had fallen down and the other one much dilapidated in the year 1898, when the Matt began digging the foundation for erecting a building on the site on which once stood the tiled building. Thereupon, some of the local residents of T. Narsipur petitioned that the further progress of the work should be ordered to be stopped, a few on the ground that it was a source of danger to the neighbouring temple of Sri Janardhanaswami during the rainy season on account of the stagnation of water and the others on the ground that they intended to make certain alterations to the said temple on the site near to it.

4. The Amildar Mr. Sundrarajiengar who enquired into the matter in January 1900, expressed his opinion that the vacant sites in question had been shown in the Survey accounts as having belonged to the Sri Gunja Narasimhaswami temple and that therefore he could not make out how the transaction between the Matt on the one hand and Srinivasaiengar and Chinnanna on the other could be held valid.

5. Petitions having been frequently submitted by the Agent of the Matt to the Muzrai Assistant Commissioner praying for permission to go on with the construction of the building, they were referred to the Amildar, and on the report submitted by the latter officer, the Assistant Commissioner Mr. Chengiah Chetty issued a prohibitory order in January 1900, directing that further progress of the work should be held in abeyance.

6. The case was in this stage till April 1902, when again the Agent of the Matt applied to the Deputy Commissioner for permission to proceed with the construction of the building. This petition having been referred for disposal to Mr. C. B. Seshagiri Rao, the then Muzrai Assistant Commissioner, the latter officer (now Sub-Judge of Hassan) without taking formal action in the matter, had a notice issued to the Agent of the Matt on the 7th November 1902, to unlock the building gifted to

Mucrai, dated 12th July 1904.

the Matt by Chinnanna and hand over the possession thereof to the temple Parpathegar before 6 P.M., that day; and as the notice was not complied with, Mr. Seshagiri Rao had the doors of the building broken open the same evening, in the presence of a panchayet. Against this order of the Assistant Commissioner, the Agent of the Matt has now appealed to Government.

7. The Deputy Commissioner to whom this appeal petition was referred for report, recommends that the vacant site and the building may be given over to the Matt on the condition mentioned in the mutchalika executed by Chinnanna, *viz.*, that the building should be kept open for the use of the travelling public.

8. From the deed of gift and the sale deed produced by the Agent of the Ahobala Matt and from the records submitted by the Deputy Commissioner, it is observed that the Matt obtained possession of the buildings by lawful means. The Khameshumari account contains entries for a number of years in which the buildings in question are stated to have belonged to the Ahobala Matt. The notices issued by the Amildar Sundraraj Ayyangar and Krishna Ayyangar in 1897 and 1900 to the Agent of the Matt to repair the buildings, show that the claim of the Matt is not a shadowy one. The claim of the Matt has been silently acquiesced in from 1873-1898, and was called in question for the first time in the latter year. Mr C B. Seshagiri Rao's procedure in ordering the locks of the building to be broken open was therefore summary and indefensible. Under these circumstances the Government are pleased to recognise the claim of the Sri Ahobala Matt to the site and the building in question

ಸಾಕ್ಷಿದಾರರ ಹೇಳಿಕೆ

ಹೇಳಿಕೆ ನೀಡಿದವರು: ಶ್ರೀಮತಿ ಲಕ್ಷ್ಮಿದೇವಿ ಕೋಂ ಗಂಗಾಧರಪ್ಪ, ವಯಸ್ಸು 38 ವರ್ಷ, ಕೃಷಿ, ವಾಸ ಹೊಸಹಳ್ಳಿ ಗ್ರಾಮ.

ಹೇಳಿಕೆ ದಿನಾಂಕ: 21-07-2017

ನಾನು ಮೇಲ್ಕಂಡ ವಿಳಾಸದಲ್ಲಿ ವಾಸವಾಗಿದ್ದು, ಕೃಷಿ ಕೆಲಸ ಮಾಡಿಕೊಂಡಿರುತ್ತೇನೆ. ನನ್ನ ಗಂಡ ಗಂಗಾಧರಪ್ಪ ಮತ್ತು ಮಕ್ಕಳಾದ ಮಂಜುನಾಥ ಹಾಗೂ ಸುಮಾ ಇವರೊಂದಿಗೆ ವಾಸವಾಗಿದ್ದೇನೆ. ನಮ್ಮ ಮನೆಯ ಪಕ್ಕದಲ್ಲಿ ನಮ್ಮ ಚಿಕ್ಕಪ್ಪ ಸಿದ್ದಪ್ಪ ಇವರ ಕುಟುಂಬ ವಾಸವಾಗಿದೆ. ಸಿದ್ದಪ್ಪನವರಿಗೆ ಮೂವರು ಗಂಡು ಮಕ್ಕಳಿದ್ದಾರೆ.

ಘಟನೆ ನಡೆದ ದಿನ ಅಂದರೆ ದಿನಾಂಕ 17/07/2017 ರಂದು ಬೆಳಿಗ್ಗೆ ಸುಮಾರು 10 ಗಂಟೆಯ ಸಮಯದಲ್ಲಿ ನಾನು ಮನೆಯ ಮುಂದೆ ಕುಳಿತು ಹಪ್ಪಳ ಒಣಗಿಸುತ್ತಿದ್ದೆ. ಆಗ ನಮ್ಮ ಚಿಕ್ಕಪ್ಪನ ಮಕ್ಕಳಾದ ಪ್ರಕಾಶ, ರಮೇಶ ಮತ್ತು ಅಣ್ಣಪ್ಪ ಇವರು ಒಟ್ಟಾಗಿ ಬಂದು ನಮ್ಮ ಮನೆಯ ಮುಂದಿನ ಜಾಗದಲ್ಲಿ ಹಾದು ಹೋಗುವ ದಾರಿಯ ವಿಚಾರವಾಗಿ ಜಗಳ ತೆಗೆದರು. ಈ ದಾರಿಯನ್ನು ನಾವು ಕಳೆದ ಹಲವು ವರ್ಷಗಳಿಂದ ಬಳಸುತ್ತಿದ್ದೇವೆ.

ಪ್ರಕಾಶ ಮತ್ತು ರಮೇಶ ಇಬ್ಬರೂ ಕೈಯಲ್ಲಿ ಕಬ್ಬಿಣದ ರಾಡ್‌ಗಳನ್ನು ಹಿಡಿದುಕೊಂಡಿದ್ದರು. ಅಣ್ಣಪ್ಪ ಬರಿಗೈಯಲ್ಲಿದ್ದನು. ಅವರು ಬಂದವರೇ ನನ್ನನ್ನು ಉದ್ದೇಶಿಸಿ "ಈ ದಾರಿಯಲ್ಲಿ ಇನ್ನು ಮುಂದೆ ಓಡಾಡಿದರೆ ಕಾಲು ಮುರಿಯುತ್ತೇವೆ" ಎಂದು ಬೆದರಿಕೆ ಹಾಕಿದರು. ನಾನು ಅವರಿಗೆ ಸಮಾಧಾನ ಹೇಳಲು ಪ್ರಯತ್ನಿಸಿದೆ.

ಆಗ ಪ್ರಕಾಶ ರಾಡ್‌ನಿಂದ ನನ್ನ ಎಡಗೈ ಮೊಣಕೈಗೆ ಹೊಡೆದನು. ರಮೇಶ ನನ್ನ ಬಲಗಾಲಿಗೆ ಹೊಡೆದನು. ಅಣ್ಣಪ್ಪ ನನ್ನ ಕೂದಲನ್ನು ಹಿಡಿದು ಎಳೆದಾಡಿದನು. ನಾನು ಕೂಗಿಕೊಂಡಾಗ ನಮ್ಮ ಮನೆಯವರು ಮತ್ತು ಅಕ್ಕಪಕ್ಕದವರು ಓಡಿ ಬಂದರು. ಆಗ ಆರೋಪಿಗಳು ಓಡಿ ಹೋದರು.

ನಂತರ ನಾನು ಚಿಕಿತ್ಸೆಗಾಗಿ ಸರ್ಕಾರಿ ಆಸ್ಪತ್ರೆಗೆ ಹೋಗಿ ಬಂದೆ. ಈ ಘಟನೆಯಿಂದ ನನಗೆ ಭಯವಾಗಿದೆ. ಆರೋಪಿಗಳು ಮತ್ತೆ ಬಂದು ತೊಂದರೆ ಕೊಡಬಹುದೆಂಬ ಆತಂಕವಿದೆ. ಆದ್ದರಿಂದ ಅವರ ವಿರುದ್ಧ ಕಾನೂನು ಕ್ರಮ ಕೈಗೊಳ್ಳಬೇಕೆಂದು ಕೋರುತ್ತೇನೆ.

ಹೇಳಿಕೆ ಓದಿಸಿಕೊಂಡು ಸರಿಯಾಗಿದೆ ಎಂದು ಒಪ್ಪಿಕೊಂಡಿದ್ದೇನೆ.

Respected Sir,

I am in receipt of the notice dated 15.4.1907, ordering me not to construct any building in the vacant site near Gunja Narasimhaswami temple at T. Narsipur.
